

Northstar Financial Services (NFS) - Procurement & Commercial Policy

Budget Thresholds: The maximum allowable total cost of ownership (TCO) for departmental software without Board approval is \$750,000 annually.

Volume Licensing: Any enterprise software agreement exceeding 1,000 licensed users MUST include a minimum volume discount of 15% applied to the annual subscription cost.

Term Length: Standard enterprise agreements are evaluated on a 1-year basis unless multi-year is specified. Implementation and support costs must be factored into the Year 1 TCO.
